Tax rate revised from 35% to 17.12074486%

Deutsche Bank Trust Company Americas (the "Depositary") collects fees from holders of depositary receipts in accordance with the terms of the deposit agreement under which the depositary receipts are issued. The Depositary may make payments to the relevant issuer, and/or may share revenue derived from these fees, and/or may waive fees and expenses otherwise payable by the issuer for services provided by the Depositary, upon such terms and conditions as the issuer and the Depositary may agree from time to time.

Persons are advised that in converting foreign currency into U.S. dollars the Depositary may utilize Deutsche Bank AG or its affiliates (collectively, "DBAG") to effect such conversion by seeking to enter into a foreign exchange ("FX") transaction with DBAG. When converting currency, the Depositary is not acting as a flduciary for the holders or beneficial owners of depositary receipts or any other person. Moreover, in executing FX transactions, DBAG will be acting in a principal capacity, and not as agent, flduciary or broker, and may hold positions for its own account that are the same, similar, different or opposite to the positions of its customers; including the Depositary. When the Depositary seeks to execute an FX transaction to accomplish such conversion, customers should be aware that DBAG is a global dealer in FX for a full range of FX products and, as a result, the rate obtained in connection with any requested foreign currency conversion may be impacted by DBAG executing FX transactions or its own account or with another customer. In addition, in order to source liquidity for any FX transaction relating to any foreign currency conversion, bBAG may internally share economic terms relating to the relevant FX transaction with persons acting in a sales or trading capacity for DBAG or one of its agents. DBAG may charge fees and/or commissions to the Depositary or add a mark-up in connection with such conversion, which are reflected in the rate at which the foreign currency will be converted into U.S. dollars.

The above information is being provided for informational purposes only. The Depositary does not warrant or guarantee the accuracy or completeness of, and does not undertake an obligation to update or amend, any of the above information.

The depositary receipts are NOT deposits or other obligations of, or guaranteed by, Deutsche Bank or any of its affiliates or subsidiaries. The depositary receipts also are NOT insured by the U.S. Federal Deposit Insurance Corporation (FDIC), and are subject to investment risk, including the possible loss of the principal amount invested. Nothing in this communication constitutes an offer or solicitation by Deutsche Bank or any other issuer or entity for the purchase or sale of any securities, nor does it constitute a solicitation to any person in any jurisdiction.
