#### Itaú Corpbanca May 4<sup>th</sup>, 2018

## Disclaimers

Itaú CorpBanca is the entity resulting from the merger of Banco Itaú Chile (Itaú Chile) with and into CorpBanca on April 1, 2016 ("the Merger"). After the Merger, the surviving entity's name changed to "Itaú CorpBanca". The legal acquisition of Itaú Chile by CorpBanca is deemed a reverse acquisition pursuant to standard N° 3 of the International Financial Reporting Standards (or IFRS). Itaú Chile (the legal acquiree) is considered the accounting acquirer and CorpBanca (the legal acquirer) is considered the accounting acquiree for accounting purposes. Therefore, in accordance with IFRS after the date of the Merger, Itaú CorpBanca's historical financial information (i) reflects Itaú Chile - and not CorpBanca - as the predecessor entity of Itaú CorpBanca, (ii) includes Itaú Chile's historical financial information, and (iii) does not include CorpBanca's historical financial information.

In order to allow for comparison with previous periods, historical pro forma data of the consolidated combined results of Itaú Chile and CorpBanca deconsolidating our subsidiary SMU Corp S.A.<sup>1</sup> and excluding non-recurring events for the periods prior to the second quarter of 2016 is presented in this Management Discussion & Analysis report. The pro forma income statement has been calculated as if the Merger occurred on January 1, 2015. The pro forma information presented here is based on (i) the combined consolidated historical unaudited Financial Statements of each of CorpBanca and Banco Itaú Chile as filed with the "Superintendencia de Bancos e Instituciones Financieras" ("SBIF"), (ii) the deconsolidation of SMU Corp unaudited Financial Statements as filed with the SBIF and (iii) the exclusion of non-recurring events.

The pro forma combined financial information included in the MD&A Report is provided for illustrative purposes only, and does not purport to represent what the actual combined results of Itaú Chile and CorpBanca could have been if the acquisition occurred as of January 1, 2015.

1 – On January 30, 2017, Itaú CorpBanca announced the transfer of all of its shares in SMU Corp which after the Merger was no longer considered strategic. As of June 30, 2016 this investment changed to "available for sale" for accounting purposes and in accordance with standard N° 5 of IFRS ceased to be consolidated in the Financial Statements of Itaú CorpBanca.
